Form W-4 (2023)

General Instructions

Section references are to the Internal Revenue Code.

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2023 if you meet both of the following conditions: you had no federal income tax liability in 2022 and you expect to have no federal income tax liability in 2023. You had no federal income tax liability in 2022 if (1) your total tax on line 24 on your 2022 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2023 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2024.

Your privacy. If you have concerns with Step 2(c), you may choose Step 2(b); if you have concerns with Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c).

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay income and self-employment taxes through withholding from your wages, you should enter the self-employment income on Step 4(a). Then compute your self-employment tax, divide that tax by the number of pay periods remaining in the year, and include that resulting amount per pay period on Step 4(c). You can also add half of the annual amount of self-employment tax to Step 4(b) as a deduction. To calculate self-employment tax, you generally multiply the self-employment income by 14.13% (this rate is a quick way to figure your selfemployment tax and equals the sum of the 12.4% social security tax and the 2.9% Medicare tax multiplied by 0.9235). See Pub. 505 for more information, especially if the sum of self-employment income multiplied by 0.9235 and wages exceeds \$160,200 for a given individual.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

Page 2

If you (and your spouse) have a total of only two jobs, you may check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is roughly accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include other tax credits for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2023 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Form W-4 (2023)

Step 2(b) – Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables.

1	Two jobs. If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, skip to line 3	1	\$
2	Three jobs. If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.		
	a Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a	2 a	\$
	b Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b	2b	\$
	c Add the amounts from lines 2a and 2b and enter the result on line 2c	2c	\$
3	Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc	3	
4	Divide the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in Step 4(c) of Form W-4 for the highest paying job (along with any other additional amount you want withheld)	4	\$
	Step 4(b) - Deductions Worksheet (Keep for your records.)		
1	Enter an estimate of your 2023 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income	1	\$
2	Enter: • \$27,700 if you're married filing jointly or a qualifying surviving spouse • \$20,800 if you're head of household • \$13,850 if you're single or married filing separately	2	\$
3	If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-"	3	\$
4	Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information	4	\$
5	Add lines 3 and 4. Enter the result here and in Step 4(b) of Form W-4	5	\$

Form W-4MN Instructions for Employees

Complete this form for your employer to calculate the amount of Minnesota income tax to be withheld from your pay.

When must I complete Form W-4MN?

Complete Form W-4MN if any of these apply:

- · You begin employment
- · You change your filing status
- · You reasonably expect to change your filing status in the next calendar year
- · Your personal or financial situation changes
- You claim exempt from Minnesota withholding (see Section 2 instructions for qualifications)

If you have not had sufficient Minnesota income tax withheld from your wages, we may assess penalty and interest when you file your state income tax return.

Note: Your employer may be required to submit a copy of your Form W-4MN to the Minnesota Department of Revenue. You may be subject to a \$500 penalty if you provide a false Form W-4MN.

You must enter your Social Security Number for this Form W-4MN to be valid.

What if I have completed federal Form W-4?

If you completed a 2023 Form W-4, you must complete Form W-4MN to determine your Minnesota withholding allowances.

What if I am exempt from Minnesota withholding?

If you claim exempt from Minnesota withholding, complete only Section 2 of Form W-4MN and sign and date the form to validate it. If you complete Section 2, you must complete a new Form W-4MN by February 15 in each following year in which you claim an exemption from Minnesota withholding.

You cannot claim exempt from withholding if all of these apply:

- Another person can claim you as a dependent on their federal tax return
- Your annual income exceeds \$1,100
- Your annual income includes more than \$350 of unearned income

What if I am a nonresident alien for U.S. income taxes?

If you are a nonresident alien, you are not allowed to claim exempt from withholding. You will check the single box for marital status regardless of your actual marital status and may enter one personal allowance on Step A of Section 1. Enter zero on steps B, C, and E of Section 1.

If you are resident of Canada, Mexico, South Korea, or India, and are allowed to claim dependents, enter the number of dependents on Step D.

Section 1 — Minnesota Allowances Worksheet

Complete Section 1 to find your allowances for Minnesota withholding tax. For regular wages, withholding must be based on allowances you claimed and may not be a flat amount or percentage of wages.

If you expect to owe more income tax for the year than will be withheld, you can claim fewer allowances or request additional Minnesota withholding from your wages. Enter the amount of additional Minnesota income tax you want withheld on line 2 of Section 1.

Nonwage Income

Consider making estimated payments if you have a large amount of "nonwage income." Nonwage income (other than tax-exempt income) includes interest, dividends, net rental income, unemployment compensation, gambling winnings, prizes and awards, hobby income, capital gains, royalties, and partnership income.

Two Earners or Multiple Jobs

If your spouse works or you have more than one job, figure the total number of allowances you are entitled to claim on all jobs using worksheets from only one Form W-4MN. Usually, your withholding will be more accurate when all allowances are claimed on the Form W-4MN for the highest paying job and zero allowances are claimed on the others.

Head of Household Filing Status

You may claim Head of Household as your filing status if you are unmarried and pay more than 50% of the costs of keeping up a home for yourself and your dependents. Enter "1" on Step E if you may claim Head of Household as your filing status on your tax return.

What if I itemize deductions on my Minnesota return or have other nonwage income?

Use the Itemized Deductions and Additional Income Worksheet to find your Minnesota withholding allowances. Complete Section 1 on page 1, then follow the steps in the worksheet on the next page to find additional allowances.

Ite	mized Deductions and Additional Income Worksheet
	Enter an estimate of your 2023 Minnesota itemized deductions. For 2023, you may have to reduce your itemized deductions
	if your income is over \$220,650 (\$110,325 for Married Filing Separately)
2	Enter one of the following based on your filing status:
	a. \$27,650 if Married Filing Jointly
	b. \$20,800 if Head of Household
	c. \$13,825 if Single or Married Filing Separately
3	Subtract step 2 from step 1. If zero or less, enter 0
4	Enter an estimate of your 2023 additional standard deduction (from page 11 of the Form M1 instructions)
5	Add steps 3 and 4
6	Enter an estimate of your 2023 taxable nonwage income
7	Subtract step 6 from step 5. If zero, enter 0. If less than zero, enter the amount in parentheses
8	Divide the amount on step 7 by \$4,800. If a negative amount, enter in parentheses. Do not include fractions
9	Enter the number on step F of Section 1 on page 1
10	Add step 8 and 9 and enter the total here. If zero or less, enter 0. Enter this amount on line 1 of page 1

Section 2 — Minnesota Exemption

Your employer will not withhold Minnesota taxes from your pay if you are exempt from Minnesota withholding. You cannot claim exempt from withholding if all of these apply:

- Another person can claim you as a dependent on their federal tax return
- Your annual income exceeds \$1,100
- Your annual income includes more than \$350 of unearned income

Βοχ Δ

Check box A of Section 2 to claim exempt if all of these apply:

- You meet the requirements to be exempt from federal withholding
- · You had no Minnesota income tax liability in the prior year and received a full refund of Minnesota tax withheld
- · You expect to have no Minnesota income tax liability for the current year

Box B

Check box B of Section 2 if you are not claiming exempt from federal withholding, but meet the second and third requirements for box A.

Box C

Check box C in Section 2 to claim exempt if all of these apply:

- You are the spouse of a military member assigned to duty in Minnesota
- You and your spouse are domiciled in another state
- You are in Minnesota solely to be with your active duty military spouse member

Boxes D-F

If you receive income from the following sources, it is exempt from Minnesota withholding. Your employer will not withhold Minnesota tax from that income when you check the appropriate box in Section 2.

- Box D: You receive wages as a member of an American Indian tribe living and working on the reservation of which you are an enrolled member. Enter the name of your reservation and your Certificate of Degree of Indian or Alaskan Blood (CDIB) number/enrollment number. Members of the Minnesota Chippewa Tribe can exclude income regardless of which Minnesota Chippewa Tribe reservation you live and work on. This affects members of these tribes:
 - Mille Lacs
 - Nett Lake (Bois Forte)
 - · Fond du Lac
 - · Leech Lake
 - White Earth
 - · Grand Portage
- **Box E:** You receive wages for Minnesota National Guard (MNG) pay or for active duty U.S. military pay. MNG and active duty U.S. military members can claim exempt from Minnesota withholding on these wages, even if they are taxable federally. For more information, see Income Tax Fact Sheet 5, *Military Personnel*.
- **Box F:** You receive a military pension or other military retirement pay calculated under U.S. Code title 10, sections 1401 through 1414, 1447 through 1455, and 12733. You may claim exempt from Minnesota withholding on this income even if it is taxable federally.

Note: You may not want to claim exempt if you (or your spouse if filing a joint return) expect to have other forms of income subject to Minnesota tax and you want to avoid owing tax at the end of the year.

If you complete Section 2, you must complete a new Form W-4MN by February 15 in each following year.

Nonresident Alien

If you are a nonresident alien for federal tax purposes, do not complete Section 2. See IRS Publication 519, U.S. Tax Guide for Aliens.

Line 2 — Additional Minnesota Withholding

If you would like an additional amount of tax to be deducted per payment period, enter the amount on line 2. Do not enter a percentage of the payment you want to be deducted.

Form W-4MN Employer Instructions

Form W-4MN Requirement

Federal Form W-4 will not determine withholding allowances used to determine the amount of Minnesota withholding. Employees completing a 2023 Form W-4 will need to complete 2023 Form W-4MN to determine the appropriate amount of Minnesota withholding.

Lock-In Letters

IRS Letter 2800C tells you when the IRS believes your employee may have filed an incorrect federal Form W-4. If you receive this letter, you must provide the Minnesota Department of Revenue with a copy of the employee's Form W-4MN. We will verify the number of allowances that the employee may claim for Minnesota purposes. Continue using the Form W-4MN you were using at the time you received Letter 2800C from the IRS, until we notify you to change the amount of allowances on the employee's Form W-4MN. If the employee has not completed a Form W-4MN, have them complete the form and use the allowances calculated on that form until notified by the department.

Use the amount on line 1 of page 1 for calculating the withholding tax for your employees.

When does an employee complete Form W-4MN?

Employees complete Form W-4MN no later than when they begin employment or when their personal or financial situation changes.

How should I determine Minnesota withholding for an employee that does not complete Form W-4MN?

If an employee does not complete Form W-4MN and they have a federal Form W-4 (from 2019 or prior years) on file, use the allowances on their federal Form W-4. Otherwise, withhold Minnesota tax as if the employee is single with zero withholding allowances.

What if my employee claims to be exempt from Minnesota withholding?

If your employee claims exempt from Minnesota withholding, they must complete Section 2 of Form W-4MN. They must provide you with a new Form W-4MN by February 15 of each year. If you are paying an employee for wages that are exempt from withholding, such as Medicaid Waiver Payments or wages to H-2A visa workers, do not send us Form W-4MN.

When do I need to submit copies of a Form W-4MN to the department?

You must send copies of Form W-4MN to us if any of these apply:

- The employee claims more than 10 Minnesota withholding allowances
- The employee checked box A or B under Section 2, and you reasonably expect the employee's wages to exceed \$200 per week
- You believe the employee is not entitled to the number of allowances claimed

You do not need to submit Form W-4MN to us if the employee is asking to have additional Minnesota withholding deducted from their pay.

We may assess a \$50 penalty for each Form W-4MN you do not file with us when required.

Mail Forms W-4MN to:

Minnesota Department of Revenue Mail Station 6501 600 N. Robert St. St. Paul, MN 55146-6501

What if my employee is a resident of a state that has a reciprocity agreement with Minnesota?

Your employee must complete Form MWR, Reciprocity Exemption/Affidavit of Residency if both of these apply:

- · They are a resident of North Dakota or Michigan, and
- They do not want you to withhold Minnesota tax from their wages

Your employee must complete a Form MWR by February 28 of each year, or within 30 days after they begin working or change their permanent residence. See Withholding Fact Sheet 20, *Reciprocity - Employee Withholding*, for more information.

What is an invalid Form W-4MN?

A Form W-4MN is considered invalid if any of these apply:

- · There is any unauthorized change or addition to the form, including any change to the language certifying the form is correct
- The employee indicates in any way the form is false by the date they provide you with the form
- The form is incomplete or lacks the necessary signatures
- · Both Section 1 and Section 2 were completed
- The employer information is incomplete

What if I receive an invalid form?

Do not use the invalid form to calculate Minnesota income tax withholding. Have the employee complete and submit a new Form W-4MN. If the employee does not give you a valid form, and you have an earlier Form W-4MN from them, use the earlier form to calculate their withholding.

If a valid Form W-4MN is not completed by the employee, withhold taxes as if the employee is single and claiming zero withholding allowances.

What if my employee is a nonresident alien of the United States?

If the wages to this employee are subject to income tax withholding, you will use Table 1 and the procedure under **Withholding Adjustment for Nonresident Alien Employees** in IRS Publication 15-T to determine the correct Minnesota withholding tax. Do not use this procedure for nonresident alien students from India and business apprentices from India. Also do not use this procedure for certain nonresident aliens who are residents of South Korea. See IRS Notice 1392 for special instructions and withholding exceptions.

403(b) Retirement Plan Highlights

What is a 403(b) Retirement Plan?

A **403(b)** plan is a U.S. tax-advantaged retirement savings plan available for public education organizations, some non-profit employers, cooperative hospital service organizations, and self-employed ministers in the United States.

The 403(b) Retirement Plan is a self-directed investment option through American Funds. A retirement plan offers a great way to save for your future.

- The 403(b) Retirement Plan is *employee-only* contribution. There is no employer match.
- ➤ If you have existing retirement savings, you may be able to consolidate that into MRCI's retirement plan. Consolidating can make it easier to manage all your retirement assets in one place and monitor your progress toward your overall retirement goals.
- ➤ If you enroll in the plan it is highly encouraged that you create an online account through American Funds. Visit www.myretirement.americanfunds.com to do so.

This notice describes how your private information may be used and disclosed, and how you may access your information.

Why is DHS asking me for my private information?

A background study from the Department of Human Services (DHS) is required for your job or position. The private information is needed to conduct the background study.

How will I be notified that a background study was submitted on me?

DHS will mail you a notice within three working days after a request for a background study is submitted on you. The notice will contain the background study result or let you know that more time is needed to complete the background study. The notice will also identify the entity that submitted the background study request.

What information must I provide to complete the background study?

You are required to provide enough information to ensure an accurate and complete background study. This includes your:

- first, middle, and last name and all names you have ever been known by or used;
- current home address, city, zip code, and state of residence:
- previous home addresses, city, county, and states of residence for the last five years;
- sex and date of birth;
- driver's license or other identification number; and,
- fingerprints and a photograph, as required by law.

How will the information that I give be used?

The information will be used to perform a background study that will include a check to determine whether you have any criminal records and/or have been found responsible for substantiated maltreatment of a vulnerable adult or child. When required, there will be a search of professional boards. Background study data is classified as "private data" and cannot be shared without your consent except as explained in this notice. Your information will also be used by DHS to collect on-going criminal and maltreatment data if it becomes available.

What may happen if I provide the information?

You could be disqualified from positions that require a DHS background study if you are found to have committed certain crimes, been determined responsible for maltreatment of a vulnerable adult or child, or have other records that require a disqualification. If you do not have a disqualifying record, you will be cleared for your job or position.

What if I refuse to provide the information?

You will be disqualified if you refuse to provide information to complete an accurate background study. You will not be able to work in a position that requires a DHS background study.

Who will DHS give my information to?

DHS will only share information about you as needed and as allowed or required by law. The identifying information you provide will be shared with the Minnesota Bureau of Criminal Apprehension (BCA) and in some cases the Federal Bureau of Investigation (FBI). If there is reasonable cause to believe that other agencies may have information related to a disqualification, your identifying information may also be shared with:

- county attorneys, sheriffs, and agencies;
- courts and juvenile courts;
- local police;
- the Office of the Attorney General; and,
- agencies with criminal record information systems in other states.

What information will DHS share with the entity that requested my background study?

The entity that requested the background study will be notified of your background study determination.

If you are disqualified, the entity will not be told the reason unless you were disqualified for refusing to cooperate with the background study or for substantiated maltreatment of a minor or vulnerable adult.

What other entities might DHS share information with?

Information about your Background study may be shared with:

- the Minnesota Department of Health;
- the Minnesota Department of Corrections;
- the Office of the Attorney General, and;
- health-related licensing boards.

What if my disqualification is set aside?

If you request reconsideration of your disqualification and your disqualification is set aside, the entity that requested the background study will be informed of the reason(s) for your disqualification unless the law states otherwise. DHS will provide information about the decision to set aside your disqualification if the entity requests it.

Unless prohibited by law, your name and the reason(s) for your disqualification will become public data if your set aside is for:

- a child care center or a family child care provider licensed under chapter 245A; or,
- an offense identified in section 245C.15, subdivision 2.

For future background studies submitted by entities that provide the same type of services as the services you were set aside for, the set aside will apply unless:

- you were disqualified for an offense in section 245C.15, subdivision 1 or 2; or,
- DHS receives additional information indicating that you pose a risk of harm; or,
- your set aside was limited to a specific person receiving services.

In addition, those entities will be informed of the reason(s) for your disqualification unless prohibited by law.

Will my fingerprints be kept?

DHS and the BCA will not keep your fingerprints. If an FBI check is required for your background study, the FBI may keep your fingerprints and may use them for other purposes in accordance with state and federal law.

What information can the fingerprint and photo site view and keep?

The fingerprint and photo site can view identifying information to verify your identify. The fingerprint and photo site will not keep your fingerprints, photo, or most other information. The fingerprint and photo site can keep your name and the date and time your fingerprints were recorded and sent, for auditing and billing purposes.

Who can see my photo?

Your photo will be kept by DHS. If you provide your social security number to allow your background study to be transferable to future entities, your photo will be available to those entities to verify your identity.

What are my rights about the information you have about me?

- You may ask if we have information about you and request in writing to get copies. You may have to pay for copies.
- You may give other people permission to see and have copies of private information about you.
- You may ask (in writing) for a report that lists the entities that submitted a background study request on you.
- You may ask in writing that the information used to complete your background study be destroyed. The information will be destroyed if you have:
 - (1) not been affiliated with any entity for the previous two years; and,
 - (2) no current disqualifying characteristic(s).

Please send all written requests to:

Minnesota Department of Human Services
Background Studies Division
NETStudy 2.0 Coordinator
PO Box 64242
St. Paul, MN 55164-0242

How long will DHS keep my background study information?

DHS will destroy:

- your photo when you have not been affiliated with an entity for two years.
- any background data collected on you after two years following your death or 90 years after your date of birth, except when readily available data indicates that you are still living.

What is the legal authority for DHS to conduct background studies?

Background studies are completed by DHS according to the requirements in Minnesota Statutes, chapter 245C or other authorizing state law.

What if I think my privacy rights have been violated?

You may report a complaint if you believe your privacy rights have been violated. If you think that the Minnesota Department of Human Services violated your privacy rights, you may send a written complaint to the Minnesota Department of Human Services, Privacy Official at:

Minnesota Department of Human Services Privacy Official PO Box 64998 St. Paul, MN 55164-0998

-2- Version: 20200423

Minnesota law requires some background studies conducted by the Department of Human Services (DHS) to include a fingerprint-based Federal Bureau of Investigation (FBI) record check. The FBI requires that you be provided the following Privacy Act Statement if a FBI record check is conducted as part of your DHS background study.

FBI Privacy Act Statement

<u>Authority</u>: The FBI's acquisition, preservation, and exchange of fingerprints and associated information is generally authorized under 28 U.S.C. 534. Depending on the nature of your application, supplemental authorities include Federal statutes, State statutes pursuant to Pub. L. 92-544, Presidential Executive Orders, and federal regulations. Providing your fingerprints and associated information is voluntary; however, failure to do so may affect completion or approval of your application.

<u>Principal Purpose</u>: Certain determinations, such as employment, licensing, and security clearances, may be predicated on fingerprint-based background checks. Your fingerprints and associated information/biometrics may be provided to the employing, investigating, or otherwise responsible agency, and/or the FBI for the purpose of comparing your fingerprints to other fingerprints in the FBI's Next Generation Identification (NGI) system or its successor systems (including civil, criminal, and latent fingerprint repositories) or other available records of the employing, investigating, or otherwise responsible agency. The FBI may retain your fingerprints and associated information/biometrics in NGI after the completion of this application and, while retained, your fingerprints may continue to be compared against other fingerprints submitted to or retained by NGI.

Routine Uses: During the processing of this application and for as long thereafter as your fingerprints and associated information/biometrics are retained in NGI, your information may be disclosed pursuant to your consent, and may be disclosed without your consent as permitted by the Privacy Act of 1974 and all applicable Routine Uses as may be published at any time in the Federal Register, including the Routine Uses for the NGI system and the FBI's Blanket Routine Uses. Routine uses include, but are not limited to, disclosures to: employing, governmental or authorized non-governmental agencies responsible for employment, contracting, licensing, security clearances, and other suitability determinations; local, state, tribal, or federal law enforcement agencies; criminal justice agencies; and agencies responsible for national security or public safety.

Your Rights

You have the right to directly obtain your FBI record and to work with the FBI to correct your record if it is wrong. You are not required to do this, but if you want to you must send your fingerprints and a fee to the FBI. Information about the process is on the FBI's web site at https://www.fbi.gov/services/cjis/identity-history-summary-checks

If your background study results in a disqualification, you will be provided with information about how to ask DHS for reconsideration of the determination. At that time, you may inform DHS that the information used was wrong (this is a correctness review) and/or that the disqualification should not apply (this is a risk of harm review).

Instructions for Form I-9, Employment Eligibility Verification

Department of Homeland Security

OMB No. 1615-0047 Expires 07/31/2026

USCIS Form I-9

U.S. Citizenship and Immigration Services

Anti-Discrimination Notice: Employers must allow all employees to choose which acceptable documentation to present for Form I-9. Employers cannot ask employees for documentation to verify information entered in Section 1, or specify which acceptable documentation employees must present for Section 2 or Supplement B, Reverification and Rehire. Employees do NOT need to prove their citizenship, immigration status, or national origin when establishing their employment authorization for Form I-9 or E-Verify. Requesting such proof or any specific document from employees based on their citizenship, immigration status, or national origin, may be illegal. Similarly, discriminating against employees in hiring, firing, recruitment, or referral for a fee, based on citizenship, immigration status, or national origin may be illegal. Employers should not reject acceptable documentation due to a future expiration date. For more information on how to avoid discrimination or how to report it, contact the Immigrant and Employee Rights Section in the Department of Justice's Civil Rights Division at www.justice.gov/ier.

Purpose of Form I-9

Employers and employees must complete their respective sections of Form I-9. The form is used to document verification of the identity and employment authorization of each new employee (both U.S. citizen and noncitizen) hired after November 6, 1986, to work in the United States. In the Commonwealth of the Northern Mariana Islands (CNMI), employers must complete Form I-9 to document the verification of the identity and employment authorization of each new employee (both U.S. citizen and noncitizen) hired after November 27, 2011.

Definitions

Employee: A person who performs labor or services in the United States for an employer in return for wages or other remuneration. The term "employee" does not include individuals who do not receive any form of remuneration (e.g., volunteers), independent contractors, or those engaged in certain casual domestic employment.

Employer: A person or entity, including an agent or anyone acting directly or indirectly in the interest thereof, who engages the services or labor of an employee to be performed in the United States for wages or other remuneration. This includes recruiters and referrers for a fee who are agricultural associations, agricultural employers, or farm labor contractors.

Authorized Representative: Any person an employer designates to complete and sign Form I-9 on the employer's behalf. Employers are liable for any statutory and regulatory violations made in connection with the form or the verification process, including any violations committed by any individual designated to act on the employer's behalf.

Preparer and/or Translator: Any individual who helps the employee complete or translates Section 1 for the employee.

General Instructions

Form I-9 consists of:

- Section 1: Employee Information and Attestation
- Section 2: Employer Review and Verification
- Lists of Acceptable Documents
- Supplement A, Preparer and/or Translator Certification for Section 1
- Supplement B, Reverification and Rehire (formerly Section 3)

Form I-9 Instructions 08/01/23 Page 1 of 8

EMPLOYEES

Employees must complete and sign **Section 1** of Form I-9 no later than the first day of employment (i.e., the date the employee begins performing labor or services in the United States in return for wages or other remuneration). Employees may complete **Section 1** before the first day of employment, but cannot complete the form before acceptance of an offer of employment.

EMPLOYERS

Employers in the United States, except Puerto Rico, must complete the English-language version of Form I-9. Only employers located in Puerto Rico may complete the Spanish-language version of Form I-9 instead of the English-language version. Any employer may use the Spanish-language form and instructions as a translation tool.

All employers must:

- Make the instructions for Form I-9 and Lists of Acceptable Documents available to the employee when completing the Form I-9 and when requesting that the employee present documentation to complete Supplement B, Reverification and Rehire. See page 5 for more information.
- Ensure that the employee completes **Section 1**.
- Complete Section 2 within three business days after the employee's first day of employment. If you hire an individual for less than three business days, complete Section 2 no later than the first day of employment.
- Complete Supplement B, Reverification and Rehire when applicable.
- Leave a field blank if it does not apply and allow employees to leave fields blank in Section 1, where appropriate.
- Retain completed forms. You are not required to retain or store the page(s) containing the Lists of Acceptable Documents or the instructions for Form I-9. Do not mail completed forms to U.S. Citizenship and Immigration Services (USCIS) or Immigration and Customs Enforcement (ICE).

Additional guidance about how to complete Form I-9 may be found in the <u>Handbook for Employers: Guidance for Completing Form I-9 (M-274)</u> and on <u>I-9 Central</u>.

Section 1: Employee Information and Attestation

Step 1: Employee completes Section 1 no later than the first day of employment.

- All employees must provide their current legal name, complete address, and date of birth. If other fields do not apply, leave them blank.
- When completing the name fields, enter your current legal name and any last names you previously used, including
 any hyphens or punctuation. If you only have one name, enter it in the Last Name field and then enter "Unknown"
 in the First Name field.
- Providing your 9-digit Social Security number in the Social Security number field is voluntary, unless your employer participates in E-Verify. See page 5 for instructions related to E-Verify. Do not enter an Individual Taxpayer Identification Number (ITIN) as your Social Security number.

Step 2: Attest to your citizenship or immigration status.

You must select one box to attest to your citizenship or immigration status.

- 1. A citizen of the United States.
- 2. A noncitizen national of the United States: An individual born in American Samoa, certain former citizens of the former Trust Territory of the Pacific Islands, and certain children of noncitizen nationals born abroad.
- **3.** A lawful permanent resident: An individual who is not a U.S. citizen and who resides in the United States under legally recognized and lawfully recorded permanent residence as an immigrant.

Conditional residents should select this status. Asylees and refugees should NOT select this status; they should instead select "A noncitizen authorized to work." If you select "lawful permanent resident," enter your 7- to 9-digit USCIS Number (A-Number) in the space provided.

Form I-9 Instructions 08/01/23 Page 2 of 8

- **4.** A noncitizen (other than Item Numbers 2. and 3. above) authorized to work: An individual who has authorization to work but is not a U.S. citizen, noncitizen national, or lawful permanent resident.
 - If you select this box, enter the date that your employment authorization expires, if any, in the space provided. In most cases, your employment authorization expiration date is found on the documentation evidencing your employment authorization. If your employment authorization documentation has been automatically extended by the issuing authority, enter the expiration date of the automatic extension in this space.
 - Refugees, asylees, and certain citizens of the Federated States of Micronesia, the Republic of the Marshall Islands, or Palau, and other noncitizens authorized to work whose employment authorization does not have an expiration date, should enter N/A in the Expiration Date field.

Employees who select "a noncitizen authorized to work" must enter **one** of the following to complete **Section 1**:

- (1) USCIS Number/A-Number (7 to 9 digits);
- (2) Form I-94 Admission Number (11 digits); or
- (3) Foreign Passport Number and the Country of Issuance

Your employer may not ask for documentation to verify the information you entered in **Section 1**.

Step 3: Sign and enter the date you signed Section 1. Do NOT back-date this field.

Step 4: Preparer and/or translator completes a Preparer and/or Translator Certification, if applicable.

If a preparer and/or translator assists an employee in completing Section 1, that person must complete a Certification area on Supplement A, Preparer and/or Translator Certification for Section 1, located on Page 3 of Form I-9. There is no limit to the number of preparers and/or translators an employee may use. Each preparer and/or translator must complete and sign a separate Certification area. Employers must ensure that they retain any additional pages with the employee's completed Form I-9. If the employee does not use a preparer or translator, employers are not required to provide or retain Supplement A.

Step 5: Present Form I-9 Documentation

Within three business days after your first day of employment, you, the employee, must present to your employer original, acceptable, and unexpired documentation that establishes your identity and employment authorization. For example, if you begin employment on Monday, you must present documentation on or before the Thursday of that week. However, if you were hired to work for less than three business days, you must present documentation no later than the first day of employment.

Choose which documentation to present to your employer from the Lists of Acceptable Documents. An employer cannot specify which documentation you may present from the Lists of Acceptable Documents. You may present either: 1.) one selection from List A or 2.) a combination of one selection from List B and one selection from List C. In certain cases, you may also present an acceptable receipt for List A, B, or C documents. For more information on receipts, refer to the M-274.

- List A documentations show both identity and employment authorization. Some documentation must be presented together to be considered acceptable List A documentation. If you present acceptable List A documentation, you should not be asked to present List B and List C documentation.
- List B documentation shows identity only and List C documentation shows employment authorization only. If you present acceptable List B and List C documentation, you should not be asked to present List A documentation. Guidance is available in the M-274 if you are under the age of 18 or have a disability (special placement) and cannot provide List B documentation.

Your employer must physically examine the documentation you present to complete Form I-9, or examine them consistent with an alternative procedure authorized by the Secretary of DHS. If your documentation reasonably appears to be genuine and to relate to you, your employer must accept the documentation. If your documentation does not reasonably appear to be genuine or to relate to you, your employer must reject it and provide you with an opportunity to present other documentation. Your employer may choose to make copies of your documentation, but must return the original(s) to you. Your employer may not ask for documentation to verify the information you entered in **Section 1**.

Form I-9 Instructions 08/01/23 Page 3 of 8

Section 2: Employer Review and Verification

Before completing **Section 2**, you, the employer, should review **Section 1**. If you find any errors or missing information in **Section 1**., the employee must correct the error, and then initial and date the correction.

You may designate an authorized representative to act on your behalf to complete Section 2.

You or your authorized representative must complete **Section 2** by physically examining evidence of the employee's identity and employment authorization within three business days after the employee's first day of employment. For example, if an employee begins employment on Monday, you must review the employee's documentation and complete **Section 2** on or before the Thursday of that week. However, if the individual will work for less than three business days, **Section 2** must be completed no later than the first day of employment.

Step 1: Enter information from the documentation the employee presents.

You, the employer or authorized representative, must either physically examine, or examine consistent with an alternative procedure authorized by the Secretary of DHS, the original, acceptable, and unexpired documentation the employee presents from the Lists of Acceptable Documents to complete the applicable document fields in **Section 2**. You cannot specify which documentation an employee may present from these Lists of Acceptable Documents. A document is acceptable if it reasonably appears to be genuine and to relate to the person presenting it. Photocopies, except for certified copies of birth certificates, are not acceptable for Form I-9. Employees must present one selection from List A or a combination of one selection from List B and one selection from List C.

You may use common abbreviations for states, document titles, or issuing authorities, such as: "DL" for driver's license, and "SSA" for Social Security Administration. Refer to the M-274 for abbreviation suggestions.

List A documentation shows both identity and employment authorization.

- Enter the required information from the List A documentation in the first set of document entry fields in the List A column. Some List A documentation consists of a combination of documents that must be presented together to be considered acceptable List A documentation. If the employee presents a combination of documents for List A, use the second and third sets of document entry fields in the List A column. Use the Additional Information space, as necessary, for additional documents. When entering document information in this space, ensure you record all available document information, such as the document title, issuing authority, document number and expiration date.
- If an employee presents acceptable List A documentation, do not ask the employee to present List B and List C documentation.

List B documentation shows identity only, and List C documentation shows employment authorization only.

- If an employee presents acceptable List B and List C documentation, enter the required information from the documentation under each corresponding column and do not ask the employee to present List A documentation.
- If an employee under the age of 18 or with disabilities (special placement) cannot provide List B documentation, see the M-274 for guidance.

In certain cases, the employee may present an acceptable receipt for List A, B, or C documentation. For more information on receipts, refer to the Lists of Acceptable Documents and the M-274.

Photocopies

- You may make photocopies of the documentation examined but must return the original documentation to the employee.
- You must retain any photocopies you make with Form I-9 in case of an inspection by DHS, the Department of Labor, or the Department of Justice, Civil Rights Division, Immigrant and Employee Rights Section.

Step 2: Enter additional information, if necessary.

Use the Additional Information field to record any additional information required to complete **Section 2**, or any updates that are necessary once **Section 2** is complete. Initial and date each additional notation. See the M-274 for more information. Such notations include, but are not limited to:

- Those required by DHS, such as extensions of employment authorization or a document's expiration date.
- Replacement document information if a receipt was previously presented.
- Additional documentation that may be presented by certain nonimmigrant employees.

You may also enter optional information, such as termination dates, form retention dates, and E-Verify case numbers, if applicable.

Step 3: Select the box in the Additional Information area if you used an alternate procedure for document examination authorized by the Secretary of DHS.

You must select this box if you used an alternative procedure authorized by DHS to examine the documents. You may refer to the M-274 for guidance on implementing alternative procedures for document examination approved by the Secretary of DHS.

Step 4: Complete the employer certification.

Employers or their authorized representatives, if applicable, must complete all applicable fields in this area, and sign and date where indicated.

Reverification and Rehire

To reverify an employee's work authorization or document an employee's rehire, use Supplement B, Reverification and Rehire (formerly Section 3). Employers need only complete and retain the supplement page when employment authorization reverification is required. Employers may choose to document a rehire on the supplement as well. Enter the employee's name at the top of each supplement page you use. In the New Name field, record any change the employee reports at the time of reverification or rehire. Use a new section of the supplement for each instance of a reverification or rehire, sign and date that section when completed, and attach it to the employee's completed Form I-9. Use additional supplement pages as necessary. Use the Additional Information fields if the employee's documentation presented for reverification requires future updates.

Reverifications

When reverification is required, you must reverify the employee by the earlier of the employment authorization expiration date stated in Section 1 (if any), or the expiration date of the List A or List C employment authorization documentation recorded in Section 2. Employers should complete any subsequent reverifications, if required, by the expiration date of the List A or List C documentation entered during the employee's most recent reverification.

For reverification, employees must present acceptable documentation from either List A or List C showing their continuing authorization to work in the United States. You must allow employees to choose which acceptable documentation to present for reverification. Employees are not required to show the same type of document they presented previously. Enter the documentation information in the appropriate fields provided.

You should not reverify the employment authorization of U.S. citizens and noncitizen nationals, or lawful permanent residents (including conditional residents) who presented a Permanent Resident Card (Form I-551) or other employment authorization documentation that is not subject to reverification (such as an unrestricted Social Security card). Reverification does not apply to List B documentation. Reverification may not apply to certain noncitizens. See the M-274 for more information about when reverification may not be required.

Rehires

If you rehire an employee within three years from the date the employee's Form I-9 was first completed, you may complete the supplement and attach it to the employee's previously completed Form I-9. If the employee remains employment-authorized, as indicated on the previously completed Form I-9, record the date of rehire and any name changes. If the employee's employment authorization or List A or C documents have expired, you must reverify the employee as described above.

Alternatively, you may complete a new Form I-9 for rehired employees. You must complete a new Form I-9 for any employee you rehired more than three years after you originally completed a Form I-9 for that employee.
